

2008 Camp Staff Candidate Information

All scouts and scouters, 16 years old or older interested in serving on the summer camp staff should complete a camp staff application and return to the Council Service Center (Attention: Camp Director) as soon as possible.

15 year old applicants are placed into the Council-In-Training program as is consistent with and adherence too the state child labor laws.

Camp staff members are generally placed in one of three staff categories; Camp Program Instructor Staff, Food Service Staff, or Camp Support Staff.

The staff selection process includes a personally interview with the applicant to determine interest and a review of camp staff needs.

Staff contracts (with job descriptions) are agreed upon, signed and approved by the applicant and camp director.

Staff salaries are consistent with the Southern Region camp staff salary scale chart. Generally, a 16 year old first year staff member will start at \$110.00 per week. Special skills or qualifications (National Camp School Certification), staff responsibilities, number of years served on camp staff, or age requirements may dictate a higher starting salary.

All salaries are confidential and final approval rest with the Camp Director.

All camp staff members will have a personal background check completed.
